## Chapter 1 by princessisabella0808

" Only 10 of you will pass this test." The instructed said, handing Rose a shotgun. A chair was brought into the room, a man with a sack over his head. " Kill this man and you pass. If not get out!" The man said as Rose placed her finger on the trigger. Rose looked the man in the eye, forgetting what she was about to do.

A gunshot sounded.

## Chapter 2 by P\$ych0\_bydef@ult

The man was dead. Not the one with the sack over his head, but the instructor. Rose flicked as she was not used to this gunfire. She scanned the area to see where the assassin was hiding. A figure leaped from the ceiling and unhanded the man with the sack. "I was never told you were coming", Rose said. "Well now you know, so lets get out of here". Alex took up the man by his shoulder and they ran to the car parked in the back. Rose started up the engine and just then the car leaped up in flames.
